Recommended Start Time for the
25 Mile Route is 8:45am

All routes are marked with white directional arrows and directional signs.
(Please wear your green wrist band on ride day to use the Rest Stops.)

BIKER SAFETY

While all four courses have been designed to follow Door County's less-travelled back roads, the routes will not be closed to traffic. All bikers should follow the rules of the road, including stopping at stop signs and riding single file on the right side of the road. It is recommended to wear a helmet when bicycling, and please carry an I.D. in case of emergency.

All routes for the Spring Classic follow regular state, county and local roadways and are used by automobiles, trucks, buses, bicycles, motorcycles and farm machinery; they have no special provisions for bicyclists. Bicyclists participating in the Peninsula Century, using the map and the marked route, assume the responsibilities and risks for their own safety when cycling.

The bicycle is classified as a vehicle under Wisconsin state law (WI Statute 346.02 (4)) and has the same Rights AND RESPONSIBILITIES as motor vehicles, including the right to use public roads unless specifically prohibited. The safety of bicycling depends on the conscientious efforts of bicyclists and motorists to obey traffic laws and act with mutual consideration when sharing the roadway.
